PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

Lake View Middle School incorporates 5th thru 7th grades. This year we had a positive year. Our students were in many service-learning projects such as Relay For Life, the St.Jude Mathathon, and the Governor Hodges' Reading Program. Over 79% of our students are in free or reduced lunch, therefore we were eligible for Title I school-wide funds. Our Academic Challenge team participated in the Pee Dee Region competition. We had 105 students enrolled in the after-school program this past year, an increase of 28 students. This was the first year the Community in School (CIS) Program was implemented with 30 students. All of our students were involved in School-To-Work programs.

Low academic achievement and lack of parental involvement are areas of concern at our school. We are in the process of changing the schedules to accommodate more language arts, mathematics, and science periods.

At Lake View Middle School, we create a strong climate of academic achievement for our students.
